Know 4 Royal Capitals

The four Royal Capitals are no longer ruled by emperors, kings, queens, princes or clergy, but any visit to these major cities shows proof of the tremendous enduring influence especially of the Hapsburg Dynasty. The cultural legacy which continues today is a result of centuries of development which we can appreciate in the art and architecture of the past, visible in all the city centres and heard in the many concert halls of the capitals. Look down on the Charles Bridge from Prague Castle. From Old Town Bratislava gaze up at the Castle in the vineyards with the Carpathian Mountains beyond. Fishermen's Bastion gives a wonderful view of Budapest's majestic Parliament Buildings. Vienna's Hofburg is only a short walk from St. Stephen's Cathedral in the centre of the Ring. These marvels and so many more await you!
